

*A Place to Begin*

**All providers/facilities/organizations are listed in alphabetical order. Please note that this list may not be comprehensive.**

The following resource includes a list of NYS medical providers who can provide a general infertility workup (they may or may not offer treatment options such as IVF), and national resources which provide more information about infertility and treatment options. This list is a good first step to begin your infertility work-up.

This directory is part of a series of lists of New York State providers (and other states where appropriate) who offer services that may be of interest to women or men hoping to bring a child into their lives. Please note that these lists are not comprehensive, nor does Infertilityeducation.org or Ferre Institute offer assurance or warranty for any of the providers listed.

We hope you find these directories useful. Please feel free to contact us with additions or edits to our list and we would be glad to review.

To find out more about NYS laws regarding insurance coverage and information about grant programs which provide funding for certain infertility treatments, please see the NYS Insurance Law Fact Sheet at [www.infertilityeducation.org/services.php](http://www.infertilityeducation.org/services.php).
